

# **17/90 BASS CLUB**

## **2025 SEASON**

### **MISSION**

Our mission is to provide fishermen with the opportunity to learn grow and compete on a tournament trail with other equally equipped fishermen who share similar ideas on the art of bass fishing. As anglers, we are representatives of the sport we love. We must remember to take care of the resources we use today if we want to be able to reuse them for many years and generations to come. Have fun and FISH ON!

### **INTRODUCTION**

The 17/90 Bass Club originated as the 14/25 Bass Club because of a serious need for bass anglers in Modesto and surrounding areas. This need developed from “small” boat owners who wanted an opportunity to

compete on a Tournament trail, but was at a tremendous disadvantage because their boats were not "big" enough or "fast" enough to compete on the same level as the much "larger" and "faster" boats, successfully. This does not mean that we cannot catch the same quality of fish as these competitors, because we know that we can.

The 17/90 Bass Club offers a tournament trail where point standings are recorded throughout the tournament season. At the end of the season, points are calculated and prizes are awarded. The club guarantees prizes for the 1st, 2nd, and 3rd place season finishers. However, if enough teams participate, prizes will be awarded to the subsequent finishers.

The lowest point tournament for each team is designated as the "throw-away" tournament, and will not be counted towards the team's season standings. At each tournament, points will be awarded. The point breakdown is as follows:

**1st Place 101 points**

**2nd Place 99 points**

**3rd Place 97 points**

Scores incrementally decrease by two points from 1st Place to last Place finishers who record at least one legal fish at weigh-in time. At each regular season tournament, prize money will be distributed based on how many teams participate. 1st through 3rd Place are guaranteed prize money.

One point will be awarded for fishing a tournament. These points add up throughout the season.

## **MEMBERSHIP TOURNAMENT FEES**

**Season membership dues are e \$40.00 per person.** Membership and fee dues are to be paid at check-in time. The money generated from membership fees will be used to purchase:

End-of-year door prizes, pizza party, Fish Game permits, website domain, checks, trophies, weight-in bags, and other items needed for the club.

The tournament **entry fee per angler is \$20.00**

A **"Big Fish" option fee is \$10.00 per boat.** (\$50/team with big fish option) 1 big fish option for regular tournaments.

\*If fishing solo, then the total entry with the big fish option is \$30

All tournaments have a **100% payback of entry fees; 80% on Open Tournaments.** Prize money is determined by the following:

10-19 individuals = 3 places

20-24 individuals = 4 places

25-29 individuals = 5 places

30-34 individuals = 6 places

35-39 individuals = 7 places

40-44 individuals = 8 places

45-49 individuals = 9 places

50-54 individuals = 10 places

55-59 individuals = 11 places

60-64 individuals = 12 places

65-69 individuals = 13 places

70-74 individuals = 14 places

If for any reason an angler is unable to participate in a tournament for which he has already paid, his fees can be refunded or carried over to the next scheduled tournament.

## **CLUB RULES**

1. Maximum boat length allowed is 17 feet. The maximum horsepower allowed is 90 hp.

\*Note: In the event, there is a team that has a boat that exceeds the maximum length or hp. or there is a new team that wishes to join the club whose boat exceeds the maximum length or hp. limits, the club members will vote on the issue and this vote will dictate whether or not to allow the said team to use the larger boat or engine.

2. Each boat must be equipped with an "operable" live well. Coolers are acceptable.

3. Each angler must have a Coast Guard-approved life jacket in the boat. Each angler must wear his/her life jacket when the outboard is in use. A single-life jacket warning may be issued per season. Continued offenses will lead to disqualification from an event and possible termination from club events.

4. Each angler must have a current California fishing license and follow the regulations given by the Fish and Game Department.

5. Team events are open to all current club members. Members must be non-sponsored and nonprofessional anglers.

6. Team events consist of two anglers per boat. At least one member must be present to earn points. Team points cannot be transferred from one team to another as a result of team changes. If a team changes partners during a season, the new team must start a new set of point standings.

7. All club members are expected to behave in a sportsmanlike manner and must practice courtesy and safety at all times.

8. No alcohol or drugs are permitted at club tournaments during competition.

9. **A maximum of Five (5) fish** can be weighed in at a team event. A team with only one (1) angler present can only weigh in five (5) fish. A maximum of four (4) fish per angler may be weighed in at a draw event. Each team at weigh-in will choose big Fish and this shall be their "Big Fish". You will not be allowed to choose another fish once your Big Fish has been chosen and weighed in.

10. The minimum length of a fish weighed in is **thirteen (13") inches**. The official measuring device is a WILL-E-GO board. Length is determined by hanging the fish at a 45-degree angle. The lip of the fish must touch the start of the WILL-E-GO board and the fish tail must touch the thirteen (13") inch line. Open mouth is allowed.

The Tournament Director reserves the right to verify all fish weighed in. If there is any controversy over the decision, a decision will be made by the remaining officers.

11. A **0.25-pound penalty** is given for each fish brought to be weighed under the thirteen (13") inch minimum off the TOTAL weight.

No short fish are allowed to be weighed in.

*NOTE: The angler is allowed to measure the fish in question; however, the final decision is still made by the Tournament Director or the remaining club officials if necessary.*

12. The species of Bass listed below are tournament approved for weigh-in: **LARGEMOUTH, SPOTTED, BLACK, SMALLMOUTH, and REDEYE (CALICO)**

13. All fish weighed in must be alive if possible. **Dead fish are allowed with a penalty of 0.25 pounds for each** dead fish weighed in. The Tournament Director, or designated official in the event of the Tournament Director's absents, is responsible for determining the condition of a fish.

14. A club official must complete a check on each boat before a tournament. It is the responsibility of each team to find a club official at the tournament. Check-in time in the mornings will vary.

15. Official sign-in will be determined at the meetings before the tournament. If a time change is deemed necessary, it is the responsibility of the club officials to notify all team members of any changes. If all efforts have been made in good faith to contact a club member for any change in the schedule and the said member cannot be contacted, the 17/90 club and club officials shall not be held liable for any costs incurred by said member.

16. Official sign-in will **close ten (10) minutes after** the official check time. This time frame is determined at the above-mentioned meetings. No late starts are allowed. No exceptions! **Weigh-in time is always 3:30 pm.**

17. Official time is kept by the Tournament Director.

18. Launch order is determined by number draw order. The last team to launch is responsible for announcing the launch order and will be the last team to leave the launch site. The club will be responsible for, providing the necessary materials for announcing the launch order, to the last team.

19. During a tournament, anglers may fish anywhere accessible by boat, except those areas designated by Federal, State, Lake, or Tournament officials as being Off Limits.

20. Official weigh-in time will be determined before launch time.

21. A **fifteen (15) minute grace period** is given at weigh-in. After the grace period has expired, late arrival will not be allowed to participate in the weigh-in.

22. After the weigh-in, all fish will be placed in a live well and released in a safe area as directed by club officials.

23. Culling fish is not allowed within one hundred (100) yards of the weigh-in site. Culling shall be defined as the release of extra fish.

24. Anglers may not fish within fifty (50) yards of another boat based on a first come first fish basis (Respect others fishing areas). Boats may not touch or appear to touch during a tournament except in the event of an emergency. Boats must stay on the tournament water during tournament hours. Anglers must fish in the same boat as they started a tournament. All fishing during the tournament must be done from the designated boat.

25. Only **artificial lures** may be used during tournaments. Pork and processed products are allowed. Absolutely no live bait is allowed.

26. A club member acting unsportsmanlike-like and/or violating club rules is subject to disqualification from the tournament and/or permanent termination from club-sponsored events. If a member is disqualified and/or terminated, he/she forfeits all prizes, awards, and points.

27. Rules affecting tournaments are subject to the interpretation of club officials only. Suggestions for future rules shall be submitted in writing to club officials and will be evaluated at the end of the season based on their content.

28. Tournament locations and dates subject to change due to weather or any other unforeseen acts shall be communicated with as much prior notice as possible to each member.

29. In the event a tournament location becomes unfishable, a notice of fourteen (14) days must be given to the Fish & Game Department. A vote will be conducted and a new location will be designated. If it is possible, a vote will be conducted at a club meeting.

30. Decisions made by club officials are final. Protests must be submitted within one hour of the weigh-in time of the respective tournament. Awards and prizes may be withheld until club officials determine a decision. These decisions shall be made in a timely and practical manner.

31. Each team is responsible for the safe and healthy release of their catch. If a team knowingly leaves injured, dying, or dead fish at the designated release area, this could result in a disqualification and or termination from the club.
